## TO THE PUBLIC

The Twelfth Annual Astoria Regatta will commence Thursday, August 30, 1906, and continue three days. For the benefit and guidance of the public and our visitors, who are always welcome, the Committee issues this souvenir program, as a guide to the aquatic and land sports, and as a memento of the grand Regatta of the North Pacific Coast.

This Regatta, like all its predecessors, will furnish pleasure and enjoyment to all, representing as it does the best and most modern aquatic and land sports participated in by the best talent on the coast. The program as herein outlined has been prepared with great care and attention to the requirements of the amusement-loving public, and will be carried out in every detail.

The Committee has spared no labor to make this event a success, and it has worked with one object in view, that of presenting a pleasing and interesting program; the

Grand Marine Parade on the second evening, the County Fair, Dog Show, Baby Show and Pigeon Shoot are features of special interest, and are intended to bring forth the best the Northwest produces. The championship events are given with the expectation that future Regattas will perpetuate them.

The Committee wishes to thank the people of Astoria, Portland, and other cities who have contributed, or who have in any way assisted in making the Twelfth Annual Regatta a success.

Extending to one and all a hearty welcome to our city, and hoping that all will enter into the sport and enjoy without measure all the pleasures of our Regatta, we are,  
Sincerely,

R. M. LEATHERS, *Chairman.*

RICHARD SHORE SMITH, *Secretary.*

ALBERT DUNBAR, *Treasurer.*

## FARMERS' FAIR—PREMIUM LIST

Regattas have been held at Astoria for nearly twelve years, attracting large crowds and entertaining many people both from home and abroad.

But the citizens concluded that an addition could be made to the entertainment. Additions that would make known the dairy and agricultural resources of the Lower Columbia Valley, encourage and incite the farmers to greater efforts and develop the farming industry. Pursuant to that conclusion an exhibit of agricultural products was made during the Regatta of 1905 which was creditable under the circumstances and greatly encouraged the advocates of the project. This year a greater exhibit is contemplated and a stock show will be added. A few cash prizes will be offered. It is hoped that such success will attend the effort that hereafter a farmers and industrial fair with proper premiums offered will be held every year. The premium lists are as follows:

A plate of apples, pears or peaches shall consist of four specimens.

A plate of plums, prunes and like sized fruits shall consist of ten specimens.

### Premiums.

Best collection of farm products grown on one farm in 1906, not less than five varieties, \$5.00.

Diplomas will be awarded for the following:

### Fruit.

Best collection of apples, not less than three varieties.

Best plate of apples, any kind.

Best plate of pears, any kind.

Best plate of prunes and plums, any kind.

Best plate of peaches, any kind.

## GENERAL RULES OF THE REGATTA.

The Regatta Committee have full power over all races. All questions arising in the sailing of various events shall be settled by the judges, and their decisions shall be based upon these rules so far as they will apply, and such decisions, if no appeal is made to the general committee, shall be final. The judges shall make reports of the results to the general committee of each day's race, within five hours from the ending of the last race, after which the secretary shall give to the owner of each winning boat, an order on the treasurer, approved by the chairman of the general committee, for prize won, if no appeal be made as above.

RULE 1ST. MEASUREMENTS. Owners desiring to have their boats measured shall give notice at the regatta headquarters, within a reasonable time before the first day of the regatta.

RULE 2. ENTRIES. All entries must be made at regatta headquarters before the first day of the regatta. Entry fees for all sailing and rowing races, one dollar.

RULE 3. No prize shall be awarded in any race unless two or more contestants start.

RULE 4. CLASSIFICATION, COURSES AND SAILS. Will be designated by the regatta committee in each day's program. Every sloop shall carry her private signal at the peak. A racing flag must also be carried by catboats at the mast-head. Any sloop or catboat not complying with this rule, unless prevented by an accident occurring after starting,

shall forfeit all claims to a prize.

RULE 5. MEETING. Boats going free must always give way to those by the wind. Boats on the starboard tack shall have the right of way. If two yachts are meeting end on, or nearly end on, so as to involve risk of collision, the helms of both shall be put to the port so that each may pass on the port side of each other.

RULE 6. OVERTAKING, ROUNDING, ETC. A boat overtaking another shall keep out of her way, but when rounding any buoy or vessel used to mark out the course, if two yachts are not clear of the mark, whether it be the lea or weather boat which is in danger of fouling it. No boat shall be considered clear of another, unless she is so much ahead as to give the other a free choice on which side she will pass. An overtaking boat shall not, however, be justified in attempting to establish an overlap, and thus force a passage between leading boat and the mark, after latter boat has altered her helm for the purpose of rounding.

RULE 7. OBSTRUCTIONS TO SEA ROOM. When passing any obstruction to sea room, should boats not be clear of each other, the outside boat or boats must give room to the boat in danger of fouling such obstruction, whether it be the lea or weather boat; provided, always an overlap has been established before an obstruction is actually reached.

RULE 8. LUFFING AND BEARING AWAY. A boat may luff as she pleases to prevent another boat from passing to wind-

ward but must not bear away out of her course to hinder the other passing to windward. The lea side to be considered that on which the leading boat carries her main boom. The overtaking boat, if to leeward, must not luff until she had drawn clear ahead of the boat she has overtaken.

**RULE 9. CLOSE HAULED APPROACHING SHORE.** If two boats are standing towards a shore or shoal, or towards any buoy, boat or vessel and the boat leeward is likely to run aground, or foul of such buoy, boat or vessel (except as provided in rule 6) and is not able to tack without coming into collision with the boat to windward, the latter shall at once tack on being hailed to do so by the person sailing the leeward boat, who must see that his own boat tacks at the same time.

**RULE 10. FOULING.** Each of the boats must fairly round the course, and must not touch any buoy or vessel needed to mark it out, but shall not be disqualified if wrongly compelled to do so by another boat. If a boat in consequence of her neglect of any of these rules shall foul another boat, or compel other boats to foul, she shall forfeit all claim to the prize, and shall pay all damages.

This rule applies to fishing boats (anchor start) only after they have rounded the first buoy, no foul being allowed from the start to the first buoy.

**RULE 11. PROPULSION AND SOUNDING.** No means of propulsion, except sails shall be allowed. Nothing but a hand line and lead shall be used for sounding during a race.

**RULE 12. PROTESTS.** Any boat desiring to protest must at once show the regatta signal conspicuously in the rigging, and keep it flying until she has crossed the line or has entered her protest. Protests must be made in writing, within two hours after the conclusion of the race.

**RULE 13. SAILS.** Scow schooners and cannery tenders will use only their working sails. Winner of first prize in all boat races (sailing first day) will not be able to participate in the second day's race.

**RULE 14. STARTING.** Five minutes before the time for starting each race a preparatory gun will be fired from the flagship. The second gun is for starting and any boat failing to cross the line within 5 minutes after the second gun shall be disqualified.
